

Eastern Irrigation District

FARM IMPROVEMENT POLICY

Over the past 5 years, the District has approved over \$7.5 M in Farm Improvement grants. Irrigators are reminded that the District will no longer be funding expenditures incurred after September 30, 2022 for:

- **Section 8.0** (upgrades such as panels, pumps, nozzles, and pivot modifications) and
- **Section 9.0** (corner arms and subsurface corners)

as set out in the Farm Improvement Policy *[see website, under the Information tab]*.

If you wish to take advantage of the grant within the remaining time frame, you must complete your project and submit your application on or prior to September 30, 2022. Contact Staci Connauton (403) 363-1376 for further information or to apply for the grant.
