APPLICATIONS FOR IRRIGATION ACRES

In accordance with Irrigation Acres Bylaw #951 (2021) and Capital Assets Charges Bylaw #960 (2022) [*bylaws and application form available on the District website*] the Eastern Irrigation District is now accepting applications from landowners for irrigation acres.

For Projects Requiring Over 50 Irrigation Acres or Projects on Dry Parcels:

- Applications must be received by the EID by 5:00 p.m. on Thursday, September 30, 2022.
- Projects are to be completed by September 30, 2023.
- Landowners must each year complete a new application form for review; previously declined applications will not be automatically reviewed year after year.
- Applications will be rated and presented at the November 2022 Board of Directors Meeting, after which landowners will be informed of the Board's decision.

For Projects Requiring 50 or Less Irrigation Acres:

- Landowners may apply at any time during the year for projects requiring 50 or less irrigation acres to be added to existing irrigation parcels.
- Landowners must complete an application for review for each project; previously declined applications will not be automatically reviewed year after year.
- Upon project approval by the Board, landowners are given 1 year to complete the project.
