Dear Board of Directors, Ivan Friesen GM;

I am sending this to inform you that I have been offered and accepted a position with the Alberta Government as Deputy Minister of Agriculture and Irrigation. Please accept this letter of resignation from the Board of Directors and any related committees effective immediately.

I have thoroughly enjoyed the last five and a half years as a Director and my time as Chairman. I am very excited for the future of irrigation in our district and the Province of Alberta. There are many projects within our district that I am very interested to see through the construction phase and to completion such as the Snake Lake expansion which will benefit our water users and other districts. I have great confidence that our District will continue to thrive in agriculture.

I would like to thank the water users, staff and Board of Directors for your commitment to agriculture and our district. Thank you to the water users in division 1 for your confidence in myself and allowing me to be your director.

Sincerely yours,

Jason Hale
