IRRIGATION DEVELOPMENT APPLICATION

Please provide a sketch of your proposed Irrigation Development, indicating the location and layout of any existing and proposed irrigation on the parcel, as well as existing or proposed delivery points. Also include any existing farm buildings, corrals etc.

A large, empty rectangular box with a black border, intended for the applicant to draw a sketch of their proposed irrigation development. In the top right corner of this box, there is a small compass rose with the cardinal directions labeled: 'N' for North, 'E' for East, 'S' for South, and 'W' for West.

I/We _____, the owners, hereby apply for the parcel of land described and shown above to be added to the Eastern Irrigation District's Permanent Assessment Roll.

I/We are aware that before adding the parcel to the EID's Permanent Assessment Roll, all the requirements of the Irrigation District's Act respecting land classification, assessment and capital asset charges must be met.
